

## When is enough?

The strategy is intended for teachers to encourage learners' learning. Individual images are cut and individual cardboards are made. Cardboards are available to pupils when they get stuck in learning.

### Research

- how others are doing?
- is there a different approach?
- research new ways

### Create

- return/other use
- combining
- transform
- change
- replace

### Learn

- where I can learn
- where I could get information
- what I have to learn for success

### Ask

- teacher, friend, parents
- make the interview
- professionals

### Choose

- new way
- look how others are doing
- look what you are doing right
- is your decision ok

### Go on

- now, tomorrow
- not yet
- look around
- take a break
