

	Knowing	Understanding	Applying	Analysing	Creating	Evaluating
Verbal I enjoy reading, writing & speaking	Write a story about what you might find inside this tunnel .	Write a conversation between a fairy tale character and your teacher.	Fix the mistakes in the passage . Re-write the passage using correct punctuation and grammar.	We should only use laptops at school. Write a persuasive letter in response to this statement. Do you agree or disagree?	Write a recipe for a Birthday cake. What ingredients will you use, how will it be made, what will you decorate it with?	What would the world be like if colours didn't exist and everything was white? Evaluate possible problems that could occur.
Mathematical I enjoy working with numbers & science	Describe what a mathematician or a scientist looks like. Try to give a really good description.	Write a persuasive letter to a friend that tells them why maths is the best subject at school.	“66 and 99”, you guessed right its quotation mark time! Write a short story using quotation marks .	What questions come to mind when you see this image ?	Create and write a science experiment that can be conducted in class.	What would happen if money grew on trees? Explore the positives and negatives if it actually did.
Visual/Spatial I enjoy painting, drawing & visualising	Think creatively: Brainstorm all the uses for a paperclip .	Find ten sets of homophones . Use each set in a sentence.	Write a detailed explanation about how the watermelon came to be a square.	Which one is sadder – the leaf or the ice block. Why? Examples .	Write a commercial to sell a new product that you have created.	Compare picture 1 and 2 . Which one do you prefer and why?
Kinaesthetic I enjoy doing hands-on activities, sports & dance	Write a shopping list for products that can be purchased from www.coles.com.au	List all the thoughts that would be going through your head if you saw this jellyfish .	Create 5 rules that can apply to any sporting activity. Write a short letter to the sports teacher explaining why they are important.	Go on a hunt around the classroom and find ten interesting words. Use these words to write a story.	Research a sporting event that happened on the weekend and write a newspaper article on it. http://newspaper.jaguar-paw.co.uk/	What are the pros and cons of playing sport every day after school?
Musical I enjoy making & listening to music	Write a response to: What would life be like without music?	Choose an animal. Write a short song about that animal.	Write a description informing someone on how to play a musical instrument.	Are you a good dancer? Describe your dance moves/dance style and what you need to improve on.	Write a story to accompany this piece of music.	Write a poem titled: A world without music.
Interpersonal I enjoy working with others	Use this time to write a letter to a friend.	Your teacher is missing! No one knows where they are and they haven't arrived at school. Write a story about what has happened to your teacher.	You have been hired!! It is your job to try to sell this item to shoppers. What is it and why do people need it?	In your opinion, what is the best board game that all students should play? Why is it the best?	Create a play script that may be used at a school assembly. Choose a theme and think about the number of characters in the play.	What makes someone a good friend? Write a recipe for friendship.
Intrapersonal I enjoy working by myself	Can you think of over 15 adjectives to describe POPCORN! Give it a try.	Write a story with the title: What does the Principal do all day?	Which animal would make the best pet for an elderly person? Explore the pros and cons of this pet.	If you were forced to spend the rest of your life in a library, a museum or a zoo, which one would you choose and why?	Apple needs you. Can you create a new app for them? What app will you create, how will it be used, why should people download it?	Choose an item in the room. E.g. pencil. Write a story about the day that item came to life.
